DEDICATION

To Dr. Edwin Rollin Spencer—in commemoration of his untiring and unselfishly-devoted efforts in advancing the interests of McKendree College; in recognition of his ceaseless labor and unparalleled success with respect to the beautification of the College campus; and with best wishes for future endeavor in improving our already beautiful and inspirational natural surroundings—this book is dedicated.

EDWIN ROLLIN SPENCER

FOREWORD

To present a picture of life on the College Hill and to record the major events of the school year is the aim of the 1933 McKendrean.

The staff thanks Mr. F. A. Behymer, Virgil Church, the administration, and many others for their invaluable aid in the production of this book.

ALMA MATER

A college 'mid plains is standing, standing there from olden days,
A pioneer of learning, first in untrodden ways,
For Service and Christian Culture, for Efficiency she stands,
Her sons and daughters praise her, with voices, hearts, and hands.

Hail to thee, our dear old McKendree,
May we always loyal be;
It's a song of praise we'll raise to thee,
Alma Mater, dear old M-C;
May we always hold thee true and wise and right,
Honor Purple and the White,
And for victory we'll always fight,
Till we win for old McK.

Enduring and strong she stands there, stands upon our college hill,
Though others may outnumber, she holds first place still,
For Beauty and Truth and Knowledge, and Service without bound,
Then let us raise our voices, until the plains resound.

Since President Harmon's inauguration in 1923, McKendree College has experienced steady growth. With the help of the Christian and effective administration of Dr. Harmon, one of the College's most versatile and well-liked presidents, the old school on the Hill has kept its head above water in the present financial crisis.

The activities of the senior class throughout the school year 1932-33 present, as usual, a more than representative cross-section of the multiphase and diversified life on the College Hill. Early in the year, the class decided upon Josef Spudich as an appropriate leader, assisted by Jordan Fink, vice-president, and Martha Kershner, secretary-treasurer. Time has proved the wisdom of their choice.

The Student Association was organized in 1921, and consists of all regularly enrolled students in McKendree College. The regular meetings are held each Friday morning at the chapel hour, when matters pertaining to the student body are discussed and interesting programs are presented.

This has been another successful year for the Association, whose projects have included the annual Home-coming program, the football banquet, and the general stimulation of McKendree pep.

PRESS CLUB

The Press Club, organized in 1921 under the direction of Professor Thomas E. Wiggins, now at Eureka College, is co-existent with the class in journalism, taught by Professor S. M. McClure.

There are no regular club officers, but members of the staff of the McKendree Review, publication of the class, are appointed. Lee Mockler is editor of the paper, and Loren Young is business and circulation manager.

The purpose of the club is to develop journalistic ability among the students by enabling them to obtain practical reporting and newswriting experience. The McKendree Review, "devoted to the interests of McKendree College," serves as a laboratory for this purpose.

SIGMA ZETA

The Beta chapter of Sigma Zeta, national honorary scientific fraternity, was established at McKendree College in 1926. Its purpose is to encourage scholarship, especially among the science students. A project inaugurated this year was the essay contest. The participants are limited to freshmen, but not necessarily to science majors, and the subject chosen must be on some phase of scientific work.

The organization has no faculty sponsors, the faculty members, Dr. C. J. Stowell and Professor S. M. McClure, having the same rights and privileges as the student members. Dr. Stowell is a member of the national constitutional committee, and Professor McClure is an official in the national council of the fraternity.

The Illinois Theta chapter of Pi Kappa Delta, national honorary forensic fraternity, was established at McKendree College in 1924. Its membership this year includes four honorary and five active members, with ten pledges to be initiated. Miss Evelyn McNeely is faculty sponsor of the organization and coach of debate.

The purpose of Pi Kappa Delta is to encourage intercollegiate forensic activities, and to develop the art of public speaking and argumentation.

The Illinois Theta chapter is a member of the Missouri Province of Pi Kappa Delta. Every two years a province convention is held, and each alternate year the national convention. For the past three years McKendree College has been represented at both province and national conventions.

The purpose of Alpha Psi Omega is to promote worth-while dramatics in colleges and universities. Toward this end, the local chapter has presented this year "Applesauce," a comedy; "Martha," an opera; and "Children of the Moon," a drama, besides several one-act plays.

Social functions of the organization this year have included a steak fry, a George Washington party, an initiation party at the Lebanon Country Club, a garden party, and the annual banquet.

THE BACHELORS

The Bachelors' Fraternity is a local organization which was formally established in 1919 by Prof. L. A. Butts, Dr. Howard W. Gould, Dr. P. L. Jones, J. Bertram Harmon, and Dr. A. H. Lochner. This was not the first time such an organization was established at McKendree College. Shortly after the Civil War a Bachelors' Fraternity was organized, and it is from this group that the present fraternity developed.

Prof. L. A. Butts, who is principal of the Belleville, Illinois, Junior High School, and who was a former instructor in the summer session at the college, is the present faculty sponsor.

The purpose of the fraternity is primarily to establish fraternal and social relationships among the members.

The Alpha Mu Omega Fraternity, a local organization, was established at McKendree College in 1924, and has grown to its present membership of twenty-four. The organization has as its faculty sponsors Professors Claude E. Vick, head of the department of education, and Wesley Kettlekamp, former professor of history in the college.

The purpose of Alpha Mu Omega is to further the spirit of fellowship, fidelity to brother members, and loyalty to the school. It sponsors social gatherings and outings throughout the year, and gives an annual banquet shortly before the the close of the school year in June.

Y. W. C. A.

Christ said, "I have come that ye might have life, and have it more abundantly." The purpose of the Y. W. C. A. is to help each girl on the hill to live, in its fullness, the abundant life—socially, culturally, and spiritually.

The McKendree Y. W. C. A. was organized on February 3, 1899. Every woman student in the college is considered a member. The group meets regularly at 6:45 each Wednesday evening in Clio Hall for short devotional and discussion meetings.

The Y. W. C. A. sponsors the Girls' Jamboree at the opening of school in September, and the Big and Little Sister movement. It joins the Y. M. C. A. in first-week activities, the Hallowe'en frolic, Easter sunrise services, and Christmas and Easter plays.

Y. M. C. A.

The Y. M. C. A. attempts to seek out the spiritual and social needs of the men students on the campus, and administer to them whenever possible. It was established in 1897, and its membership includes all the men students in the college. Professor Raymond Huck is the faculty sponsor of the organization.

One of the most succesful projects of the Y. M. C. A. this year has been the sending of deputation teams into surrounding towns, where they conduct the Sunday evening services in various churches.

Each year the Y. M. C. A. joins with the Y. W. C. A. in publishing the "Ys' McKendrean," containing helpful hints, the Alma Mater song, college yells, freshman rules, directions, time tables, and other items of interest to new as well as to old students.

SIGMA BETA RHO

Sigma Beta Rho, the successor of the Oxford Club, is the ministerial fraternity on the hill. It was founded in the fall of 1931, with a charter membership of eleven. Its present membership numbers ten ministerial students and five honorary members, the latter being President Harmon, Dr. Walton, Rev. Todd, Rev. Bennett, and Prof. Garvin. Dr. Walton is the faculty sponsor.

The real purpose of Sigma Beta Rho is to promote scholarship, brotherhood, and religious faith among the ministerial students. Its bi-monthly meetings serve to deepen devotional life and to arouse and answer pertinent questions of value in the ministry. The fraternity has sponsored monthly chapel services, an annual banquet, and a questionnaire to certain of the ministers of the conference.

NATURE CLUB

The Nature Club of McKendree College was organized in 1926 by Dr. Edwin Rollin Spencer, Professor of Biology, who is the sponsor of the organization at the present time. There are no special qualifications for membership in the club, and anyone interested is invited to join and to attend the meetings, which are held every Wednesday evening at 7:30.

The purpose of the Nature Club is to improve the campus and to give the members a fuller appreciation of nature. Two years ago the club began to build a rock garden. Last year a lily pool and rustic bridge were added to the garden. Every year the members make a trip to the Murphysboro (Grand) Canyon and bring back wild plants for the campus. The latest project of the Nature Club has been a flower-bed contest, designed to beautify the back campus.

FORENSICS

DEBATE SQUAD

The debate squad has had an extensive program this year. Besides home debates and those at near-by schools, four members of the squad, Mary McClain, Helen Saegesser, Jack Goodpaster, and Wendell Hoover, accompanied by Coach Evelyn McNeely, made a three-day tour to Macomb and Carthage, Illinois, carrying on a series of debates with Western Illinois State Teachers College and Carthage College.

Seven contestants from McKendree College entered the province convention of Pi Kappa Delta, held at Des Moines, Iowa, April 12, 13, 14, 1933. The men's debate team, Paul Meadows and Jack Goodpaster, went to the quarter-finals in the tournament, and the women's team, Bernetta Joseph and Helen Saegesser, went to the semi-finals. Miss Joseph also won second place in women's extempore speaking. Mildred Wilkin, winner of the Illinois state oratorical contest; Gaylon Howe, and Wendell Hoover represented McKendree at the convention in women's oratory, men's oratory, and men's extempore speaking, respectively.

ORATORY

For the second time in two years McKendree College has won a first place in the Illinois State Oratorical Contest. In 1932 Donald Moore won this distinction in men's orations, and this year Mildred Wilkin received the gold medal in the women's division.

The contest was held on February 9th and 10th at Augustana College, Rock

Island, Illinois. Eleven schools were entered, all members of the Illinois State Oratorical Association.

Miss Wilkin's oration, entitled *King Coal Is Starving*, dealt with the impoverished condition of the coal miners and the inefficiency of their unions.

Winners in the women's division were as follows: First, McKendree College; second, Augustana College; third, Bradley Tech.

PLATONIAN LITERARY SOCIETY

This marks the eighty-fourth year of the Platonian Literary Society. Since its modest beginning in April, 1849, it has continued active, and is now one of the prominent organizations on the hill, being composed of twenty-one members.

Changes of officers are made each six weeks' period. Seniors are favored for the office of president, and each senior member usually has the opportunity to serve one term in that capacity.

Regular meetings are held on Monday evening of each week. Visitors are welcomed to the "Open Session," which is held on the first regular meeting night of each month.

The prime aim of the Platonian Literary Society is to promote intellectual and social interest, not only among its membership, but throughout the student body. *Via Sapientiae* is the motto of Plato and the watchword of every loyal Platonian.

PHILOSOPHIAN LITERARY SOCIETY

Established in 1837, the Philosophian Literary Society is the oldest organization on the campus, and the oldest literary society west of the Alleghenies. For nearly a century Philo's weekly meetings have been held for the "mutual improvement of its members in oratorical attainments and scientific and literary pursuits," Philosophians striving to work toward the motto on its star, *Detur Digniori.*

Philo points with reasonable pride to its leaders—United States senators, judges, a foreign minister, and scores of others, including heroes of three wars and eleven college presidents.

But Philo does not live in the past alone. Last year the Triennial Banquet was a decided success, and this year the regular meetings, open sessions, and annual Chautauqua were all well attended and ably presented. The present active membership is twenty-six.

CLIONIAN LITERARY SOCIETY

The Clionian Literary Society, established in 1869 with fourteen charter members, is the only women's literary association on the hill. It meets in regular closed session in Clio Hall on each Monday evening. The second meeting of each month, however, is an open session to which visitors are welcomed. Officers are elected each six weeks, with the exception of the treasurer, who retains her office throughout the year.

Quoting from the Constitution of the society, "The object for which this society is formed is for the cultivation of moral, social, and literary refinement, music, both instrumental and vocal, debate, and acquisition of knowledge of parliamentary usages." Clio's motto is *Virtute et Labore, virtue and labor.* The program of the organization during the school year includes the Clionian reunion at Home-coming, an annual banquet, and an Exhibition Program during Commencement week, which gives a resume of the activities of the society during the year.

"No team would be complete without Spudich's presence. Here is a fine all-around football player, speedy, powerful, and a great defensive back."
FRED YOUNG, PANTAGRAPH.

Into the list of the Purple's grid immortals goes "Little Joe." His place will not be filled.

GOODROW FULKERSON, Carmi, *Junior*

Quarterback and Captain, *Pantagraph* First All-Star; Honorable Mention, *Associated Press* and *United Press* Selections.

"Fulkerson was a standout, the sparkplug of Art Doolen's behind all year. He has all the qualities that go to make a great leader and not only is a top-notch field general but a good ball carrier himself. His defensive work could not have been improved upon, and he was the call over Bill Nicolet, Shurtleff's all-around athlete."—FRED YOUNG, PANTAGRAPH.

"Goody" came through, justifying Doolen's faith of previous seasons. He had the best yardage-per-try record of any Bearcat.

ELMER TODD, *Capt.*, Pleasant Hill, *Senior*

Halfback, *Associated Press* First All-Star Honorable Mention *United Press* and *Pantagraph* Selections.

"A wheel horse, hard to equal in any backfield."
—A. P.

"Our idea is to stop Todd. . . . He's a star, that fellow. . . . He knows how to run on the football field just as well as on the track.—J. CONZELMAN, Washington U. Coach.

Todd came back in great style, after a mediocre season in 1931. He beat S. I. N. U. almost single-handed.

ARTHUR H. DOOLEN, *Coach*, Kinmundy.

"Doolen, a graduate of Kansas State College, where he was voted one of the best football and basketball players in the Missouri Valley, in the short space of three years, has brought McKendree to the top of the heap. His football coach was Charley Bachman, and he employs the Notre Dame shift."
FRED YOUNG, PANTAGRAPH.

And off the field he's the "prince of good fellows."

—AND THEY WERE MENTIONED, TOO

ROBERT KURRUS, East St. Louis, *Senior*
Guard, Honorable Mention *Pantagraph* Selection; Four-letter Man.

"Kurrus, rated the outstanding performer in the McKendree line, has been named on various all-conference elevens for the last two seasons, and his work this year has been just as outstanding as in other years."—FRED YOUNG, PANTAGRAPH.

When he wanted first down or a touchdown, Fulkerson gave Soudich the ball; and he sent him over "The Dutchman." We think Kurrus was the best guard in the state.

FRANK GRUCHALLA, Benld, *Junior*
Center, Honorable Mention *Pantagraph* Selection.

Frank was "over the ball" nearly every minute of the season's play. The Gruchalla of 1932 represents the greatest development of Doolen's regime. And 1933 should be his greatest year.

KURRUS GRUCHALLA
HORTIN BRADHAM

OAKLEY BRADHAM, Xenia, *Sophomore*
Halfback, Honorable Mention, *Pantagraph* Selection.

"Old Ironfoot" entered the limelight with a 91-yard jog for touchdown on the opening kickoff at Cape. He stayed there through the season. Poor vision greatly handicapped him, but he was an important cog in a powerhouse backfield.

ARTHUR E. HORTIN, *Asst. Coach,* Albion

"Cap" went to the football wars four years for McKendree, captaining the 1931 team. He played his part in the great offensive of 1932. As in undergraduate days, he "played 'er hard, and played 'er square."

"Using 34 men, McKendree, with the varsity playing in only the first quarter, defeated Scott Field, 19-0, on Hypes Field."—ST. LOUIS POST-DISPATCH.

The Purple's power was revealed in this first contest under the floodlights. Bradham, Spudich, and Covington scored the touchdowns, ably backed by the brilliant play of Todd, Gruchalla, Kurrus, Sooy and Brock.

"A 91-yard run for touchdown on the opening kickoff by that flashy halfback, Oakley Bradham, gave McKendree a 6-0 victory over Cape at Houck Field Stadium before 2,000 persons, including five hundred Boy Scouts."—The SOUTHEAST MISSOURIAN.

AN END, A TACKLE, AND A COUPLE OF BACKS

GEORGE MOORMAN, Edwardsville, *Junior*
Tackle; Captain-Elect, 1933.

With just a little more color, Moorman would be one of the most talked about tackles in the state. He'll make rebuilding the left side of the line next season an easier job.

CARL BROCK, Cisne, *Senior*
End.

McKendree's best offensive end, Brock and his jumping-jack tactics have been a source of wonder and amusement for four years. Can he block a tackle? Ask one Normal star!

CHARLES RUBESA, St. Louis, *Freshman*
Halfback.

"Charley" is an excellent prospect for next season. He entered school late but developed rapidly as the season progressed.

LARRY COVINGTON, St. Louis, *Freshman*
Halfback.

Covington ran well for McKendree in several games. His hip action is his distinguishing feature. He'll be worth much to the Bearcats next season.

"The fact that the score was only 25-0 testifies not to the weakness of the Billikens but to the strength of the Bearcats."—J. M. GOULD, referee, in the St. Louis POST-DISPATCH.

Only reserve strength of St. Louis doomed McKendree to a glorious defeat that starlit night in Walsh Stadium before 5,000 fans. The Purple gave as good as it took the first half, the Billikens leading but 6-0. It carried the ball to the opponents' four-yard line just as the half ended. Power, alone, wore out the Toddmen the final half. Todd, Spudich, Bradham and Fulkerson were brilliant, defensively.

"Doolen's laddybucks smashed their way to a 21-2 victory over Chillicothe—the moral for all Little 19 teams should be 'don't let the Bearcats get started'."—FRED YOUNG, PANTAGRAPH.

The regulars punched over three touchdowns in the game's final ten minutes after the reserves had yielded a safety in the third period. Todd scored the first touchdown; Spudich the last two. The game was a thriller for the six minutes after Chillicothe scored.

Fulkerson hits left end against Washington. Connett (7) and McDouglas (33) are Washington linemen. Todd is blocking Walka, end (36); Bradham and Spudich also blocking.

HENRY DERWELIS, Collinsville, *Sophomore*
Guard.
"Butch" might have been larger, but he was in the game all of the time. He took terrific punishment—especially at Washington U.—but always came back for more. And he a married man, too!

GUS CIANCIOLO, St. Louis, *Freshman*
Tackle.
"Gus" rated favorably with that worried Doo'en in each season. His 220 pounds meant much in the hard playing of a stiff schedule. He'll do!

EDWARD SOOY, Edwardsville, *Junior*
Halfback.
"Ed," playing a guard, like his cousin, Fiegenbaum, of former McKendree fame, showed that he could "take it." Lean, but tough, he was often hurt, but seldom stopped. He was a good pass-receiver at quitting time.

KENNETH WILSON, Granite City, *Freshman*
Halfback.
Wilson came through in the Home-coming game, ably replacing Captain Todd. He returns kicks as only the born onen field runner can. He was much used the latter half of the season. He'll bear watching, henceforth.

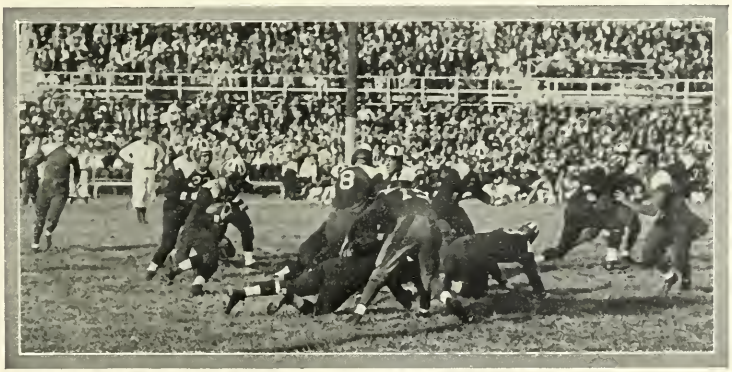
DERWELIS SOOY CIANCIOLO WILSON

"We were just outmanned."—JIMMY CONZELMAN, Washington U. Coach, to Walter W. Smith, St. Louis STAR and TIMES.

Two Bearcat touchdowns, resulting from long runs, after Washington had been completely fooled on the plays about to be sprung, gave McKendree her sweetest victory of the season. From punt formation, Todd ran eighty-nine yards for the first score. Spudich ran thirty yards for the second on a fake buck. When Washington made first and ten on McKendree's five-yard line in the last period, substitute linemen, Hrasky, Flanders, Rauth and Larsh, yielded but two yards in four plays. Kurrus took sweet revenge on his former teammates.

"For the first time since 1924, McKendree's Bearcats, with a rousing second-half rally, a vicious assault, triumphed over Southern State Teachers, 20-7."—FRED YOUNG, referee, in the PANTAGRAPH.

It was home-coming at Carbondale that night for Bradham—he even caught forward passes—and Captain Todd dragged Maroon players all over the field. S. I. N. U. had led at the half, 7-0.



Koerner fails to gain for Washington. Behind him is Brown, Umpire Henry. Brock is to the left. No. 8 is Moorman; Gruchalla is facing him. Comfort is the left end. Spudich is helmetless.

End.

"Milt," a transfer from Central Wesleyan (Mo.), only tackled one season for the Purple, but his work, 1932, was a tremendous help. We'll miss you, Miltenberger!

HENRI COMFORT, St. Louis, *Freshman*
End.

The foe seldom knew when Spudich would get off a quick kick. All they saw was a soaring ball and the long strides of Comfort, down fast. He was a star in mid-season.

HOWARD LARSH, E. St. Louis, *Freshman*
Tackle.

Injuries to Cianciolo gave this talkative freshman a chance to play regularly. His presence did not weaken the line. There was not a harder fighter on the squad.

JAMES HRASKY, East St. Louis, *Freshman*
Guard.

There was an extra 200 pounds of beef in the forward wall when Hrasky filled a guard. He showed his worth at Washington U., and thereafter was Dooley's first choice for a guard reserve.

"Shurtleff, winner of four straight conference games, went down, 13-0, before McKendree's title-bound Bearcats in the latter's home-coming game."—St. Louis GLOBE-DEMOCRAT.

The home-coming tilt definitely established McKendree as a contender for titular honors. Fulkerson made his first college touchdown in the final period. Comfort intercepted a lateral pass and ran forty yards over the goal line, but an official's mistaken whistle called back the play. McKendree had the ball on the Pioneers' five-yard line when the game ended.

"McKendree's reserves did nearly all the work in the achieving of a 27-7 verdict over Elmhurst."
—Belleville NEWS-DEMOCRAT.

Opening with only three regulars, McKendree had no trouble downing the Pirates. Gruchalla played the best game of his career. Kurrus, Fulkerson, and Spudich, were up to usual standard, and reserves, Covington, Wilson, May, Larsh, and Rauth, made good showings.

Over the top in the Home-coming game, just before the shift, with Fulkerson barking signals and Bradshaw, Spudich and Wilson lined up behind. Hafner is the lineman. The Pioneers are watching over the top.

LLOYD FLANDERS, Cameron, Mo., *Freshman*

Guard.

The Cameron Club was represented on the squad by this dark-eyed, carefree guard. He, too, had hold of Fredrickson, Washington U. fullback, when the latter went down on the three-yard line.

WALTER RAUTH, Belleville, *Junior*

Tackle.

"Wally" spent a lot of time down at Harmon's but more on Hypes Field. He finally settled down at tackle to win his first letter. What will he be next year? A guard, or an end—maybe a fullback!

LAYMAN MAY, Joppa, *Sophomore*

Fullback.

"Wildman," winning his first football "M," starred in several games. Handicapped by inexperience, his ruggedness stood him in good stead.

"Coach H. Hancock, State Normal mentor, and his assistant were down at Charleston looking over the McKendree squad, and that the pair saw plenty was a certainty. Big and powerful, with boys who can pick them up and lay them down, the McKendree team is a top-notch aggregation."—H. V. MILLARD, Charleston game referee, in The Decatur REVIEW.

The Purple's grid powerhouse, under full steam, tore through the defense of the Eastern Teachers on a muddy field for eight touchdowns—the largest score recorded during the year in the conference. The regulars scored four times the last period.

"McKendree has a fine team. They really played better than my boys. And we played one of our best games of the year, too."—COACH HOWARD HANCOCK, State Normal.

With but one to go and victory meaning an undefeated, untied conference record, Doolen's battlers carried the ball ninety yards down a freezing field at Normal to win, 6-0. "Ole 23" and Spudich, from the six-inch mark, provided the margin. Spudich thus gained the honor of scoring all the points in both his first and last games for McKendree. Brock and Kurrus combined to take out Thomas, star Normal tackle, time after time on the drive to the goal.

Wilson carrying the ball against Shurtleff. The Granite City flash is making one of his brilliant returns of kicks which cost the Pioneers many yards that day.

MILFORD MILTENBERGER, Beatrice, Neb.

Senior, Center

"Mil" was McK's star when ineligibility ended his play. His loss was keenly felt.

CLEVE STROH, Mt. Carmel,

Sophomore, Captain-elect and Forward

Stroh led Doolen's scorers. His specialty is the hard-pressed corner shot.

WOODROW FULKERSON, Carmi,

"Woody" plays a hard, driving game. He starred in the second Shurtleff game.

"HOPE SPRINGS ETERNAL——"

Failing to win a single conference game in nine starts and losing eleven of sixteen during the season, McKendree experienced one of her poorest basketball seasons in years—a complete reversal of form from football. Loss of her captain, Todd, and Miltenberger, star center, at semesters, through ineligibility, left Doolen with sophomores and freshmen to battle through the toughest part of his schedule. He developed a fast breaking, good shooting, snappy passing outfit whose weakness was defense. Ten of twelve lettermen will be back next year.

BASKETBALL

KENNETH SCOTT, Marissa,

Sophomore, Guard

"Scotty" became a regular after his fine work in the Charleston game at home. His playing is not colorful; "effortless" best describes it. He can take a ball off the backboard and work it down.

JACK PFEFFER, Lebanon,

Junior, Forward

A scrapper, Pfeffer, a letterman returned to school after absence, won his second letter. He has the height and speed to become a star.

REX GAMMON, Kinmundy,

Sophomore, Forward

"Doc," the Bearcats' handyman, won his second letter. He excels at the free throw line.

GEORGE MOORMAN, Edwardsville,

Junior, Guard

The football captain-elect became a two-sport man, winning his first cage letter. He is a guard who can score.

THE TALE OF A CRACKER BOX—OLD EISENMAYER

McKendree's cage record was poor. But her scoring was enough to win, ordinarily. Her scorers averaged 33 points per game, but allowed their opponents nearly 40. A tightened defense should win games next season.

The scores:

NON-CONFERENCE	CONFERENCE
McKendree 52, Blackburn 28.	McKendree 39, Shurtleff 44.
McKendree 15, Cape Teachers 42.	McKendree 34, S. I. N. U. 48.
McKendree 43, Flat River 31.	McKendree 18, S. I. N. U. 46.
McKendree 40, Livingston Boosters 31.	McKendree 40, Charleston 57.
McKendree 34, Blackburn 26.	McKendree 26, Illinois College 30.

BASKETBALL

STOLTZ
RUBESA

WILSON
BOST

EURUS STOLTZ, Mt. Carmel,

Sophomore, Center

"Red" was a better player after a year's absence and earned his first "M." He was McKendree' tallest cager.

KENNETH WILSON, Granite City,

Freshman, Forward

"Snike," in basketball as in football was the outstanding freshman. He was close on Stroh's heels in scoring and did more than his share, defensively, in spite of his lack of height. He was a favorite with the stands.

CHARLES RUBESA, St. Louis,

Freshman, Guard

Rubesa's ball-handling was intriguing. He led the scorers in conference games. Highly individual, he was the center of most offensive rallies.

LOUIS BOST, Granite City,

Freshman, Guard

A left-hander with a hook pass unbelievable in speed. He should be a star in future years.

SEVERAL CLOSE ONES

The Purple's hardwood season was disappointing. The old story—a winner looks good; a loser poor—held true, in general, but McKendree won and lost several excellent games—in point of interest.

Miltenberger's under-basket work won the first Livingston game in the closing minutes. The Cats had Shurtleff's Pioneers tied up 38-38, only to lose by five points, at Alton. They led the Wood's outfit at the half and 30-25 in the second half at Lebanon, only to lose by ten points when a change of line-up clicked for Shurtleff. Wilson and Stroh shot final second baskets to win over Flat River at home. The Bears were roundly outplayed by the Southern and Eastern Teachers in traditional games.

TRACK

Six lettermen—Spudich, Kurrus and Fink, seniors; Captain Frank Gruchalla and Nattsas, juniors; and May, sophomore, were on hand when Coach Doolen started track and field work this spring. Almus Caruthers, state high school and Illinois U. freshman champion distance runner, was the only outstanding newcomer. Bradham, Fulkerson, Moorman, Presley, W. Routh, Whiteside and Zook were prospects. Miles, Jackson, Singer and Wilson were freshmen to break into notice in tryouts.

Gruchalla and Caruthers early gained distinction indoors. The former placed first in the shot in the Little 19 meet at North Central College, Naperville, March 11, with a 40 foot, 6½ inch put. March 25 he was fourth in the shot at the Concordia Turners meet in the Coliseum, St. Louis, with 39 feet, 5 inches. Caruthers, the same night, took the mile run in 4 minutes, 45 seconds, nosing out W. R. Swartz, former Missouri U. star.

Gruchalla, Caruthers and Fulkerson scored 26 of McK's points in her first outdoor meet, a dual affair lost to Washington U. by 31-100 on Hypes Field April 19. Caruthers won the 880 and mile; Gruchalla won the discus and second in the shot; Fulkerson won the 100 and second in the 220. Other Purple scorers were: Nattsas, third in 440; Bradham, third in 100; Whiteside, third in high hurdles; Todd, third in broad jump; Zook, third in low hurdles; Fink and Spudich, tied for third in pole vault.

Gruchalla, Fulkerson and Whiteside starred as McK lost to SINU at Carbondale, 27½-103½, April 28. Gruchalla took firsts in shot and discus; Fulkerson first in 100, second in 220; Whiteside broke the McK all-time high jump record with a leap of 5 feet, 11¾ inches. The latter also ran third in the high hurdles. Nattsas, Bradham, Harris, Zook, and Spudich won thirds, and Fink a tie for third.

Three other meets were on the Purple's schedule, all at home.

Back Row—Ass't Coach Hortin, Nattsas, W. Routh, Kurrus, Capt. Gruchalla, Moorman, Whiteside, Fulkerson, Bradham, Coach Doolen.
Front Row—Singer, J. Routh, Wilson, Spudich, Miles, Fink, B. Jackson, Caruthers.

MEN'S TENNIS

In Bost and Pfeffer the McKendree men's tennis teams' strength seems to lie this season. Both are players of considerable experience, although the former is but a freshman. Pfeffer has played a season for the Purple. Lewis, Hamm, and Beers are entering their second season of competition, while Hoover is a freshman. Home-and-home matches have been scheduled with SINU and Illinois College; single ones with Shurtleff and Blackburn. Prof. Raymond Huck has charge of the squad.

Illinois College proved victorious at Lebanon, April 22, winning five matches against Jack Pfeffer's singles triumph. Lewis lost to Hirth, 0-6, 3-6; Pfeffer defeated Chenoweth, 0-3, 4-6, 6-2; Hamm lost to Rothen, 0-6, 2-6; Hoover lost to Moriarty, 2-6, 5-7. In the doubles, Lewis and Pfeffer lost to Hirth-Moriarty, 2-6, 6-2, 4-6; Hamm-Hoover lost to Rothen-Chenoweth, 4-6, 5-7. A return match with the I. C. squad at Jacksonville was called off, April 29, on account of rain.

The remainder of the schedule:

April 28—Shurtleff, at Lebanon.

May 6—I. I. A. C. District Tryouts, Illinois College, Jacksonville.

May 12—I. I. A. C. Finals, Western State Teachers' College, Macomb.

WOMEN'S TENNIS

The women's tennis squad is blessed with two players of four years' experience each, Misses Mowe and Beutelman, both of Lebanon. Berdine Utley, freshman, gives promise of being another star. Martha Kershner is a senior playing her first year. Leona Jacob and Ruth Schmalenberger are sophomores competing their second season. Home-and-home contests have been scheduled with Illinois College, Blackburn, and Shurtleff.

Miss Jacob was the only victor for McK against Illinois College at Jacksonville, April 21. She defeated Miss Stout, 6-2, 6-2. Other scores were: Schmalenberger lost to Laughry, 6-2, 5-7, 4-6; Kershner lost to Martin, 0-6, 1-6; Schmalenberger-Schnyder lost to Laughry-Predgen, 2-6, 3-6; Jacob-Kershner lost to Graff-Martin, 6-3, 3-6, 4-6.

Rain halted the Blackburn matches at Carlinville, April 29. Miss Beutelman had taken a 6-2 first set from Miss Weidman. The Schmalenberger-Kelly first set was at deuce, 5-5, game 30-love, with Miss Schmalenbergerr serving. Miss Kershner was leading Miss Woolley, 3-2.

The remainder of the schedule:

INTRAMURAL

Basketball, track, tennis and ping-pong were sports to attract intramural attention the past year.

Basketball.—The A. M. O. fraternity team finally won the ten-team race, winning eight games while losing but one contest. The Wimpies, with a seven-two record, were second. The Bachelor fraternity five and a Faculty quintet were tied for third with six and three. The Wimpies beat the winners 22-20, but the S. P. O.'s, fourth placers, late in the season downed the Wimpies, 12-10. Then the Bachelors, winners of six straight after losing their first three games, whipped the Wimpies, 24-17, giving the A. M. O.'s the title. W. Rauth, Bachelor forward, was high scorer in the league with 91 points. An all-star selection made by the *Review*, student publication, was composed of Rauth, Bachelor, and Schmidt, A. M. O., forwards; Gruchalla, Bachelor, center; D. Harmon, Wimpies, and W. Wolfe, Maple Leaves, guards. R. Hamm, W. Sanders, H. Comfort, V. Mason and H. Lang were named on a second five.

Ping-Pong.—Dave Zook won the men's ping-pong championship, defeating Almus Caruthers three straight games in the final round.

Track.—The Juniors won the annual interclass meet, scoring 68 points. The Seniors were second with 39½. The Sophs scored 34½ and the Freshmen 23. The Sophs won the 880-yard relay, leading to the tape in order the Seniors, Juniors and Frosh. Gruchalla, Juniors, scored 22 points alone. Caruthers, Soph, had 18; Fulkerson, Juniors, 14½; Nattsas, Juniors, 14. Todd, Zook, Spudich, Fink, Kurrus, Brock, Dude and H. Lang counted points for the Seniors; Gruchalla, Fulkerson, Nattsas, Whiteside, W. Rauth and Moorman, for the Juniors; Caruthers, Bradham, May, Presley and Musgrove, for the Sophs; Singer, Jackson, Miles, Comfort, Eaton, Wilson and J. Rauth, for the Freshmen.

Tennis.—As we go to press a men's tennis tournament with 28 entries is just beginning.

FEATURES

Nope, it isn't Hobo Day. It's just the A. M. O. pledges showing off their instruments of torture. Doesn't Gus' beard look cute?

And Marjory poses for us down by the Country Club. Go and get on your bathing suit, Marjory.

McKendree is beautiful at any time, in the fond eyes of her students, but when these fine old trees are loaded with snow the campus takes on new romance.

Yep, now it is Hobo Day, and I wish you'd look at the outfits! You can't help but see that gorgeous shirt of Mary Lou's, and the Spanish sash in which Pauline is draped.

More Hobo Day, and here is Wilma in that beautiful old-fashioned dress perched on "the rock." Wilma, Wilma, don't you know our grandmothers didn't do such things?

Iva Lou and Dolly are smiling for you, Readers of the Annual.

No group of snaps would be complete without a view of our Lake Beautiful. It's just too bad Loren had to pop into the picture and spoil it all.

Alice tripping down the walk,
Won't you stop a bit and talk?

CALENDAR
1932-33

SEPTEMBER

5—Cars are arriving and trunks are being heaved up the steps. Freshmen are wandering around, moon-eyed and wondering.

6—Upper classmen have begun to return. Old sweethearts are reunited. Big P. J. party in Clark Hall, and the Mule Barn is scene of stag pow-wow.

7—Why won't a major prof ever let a student take what he wants? Why does a guy have to have majors and minors, anyhow? Yes, we're registering today! To revive spirits the students are invited to a big marshmallow toast on the College road. "Please to meetcha".

8—Ugh! Classes today. Everybody is getting out their best duds for tonight's the night of Prexy's big reception.

9—Bob is elected president of the Student Association. Ys' reception and plenty of punch.

10—One of those blessed Saturdays has rolled around. My—what's that rumpus over in Clio Hall? Oh, don't worry, it's just some Clionians cleaning up the place, and I'll be a horn-swoggled Dutchman if they're not down on their knees! But what are you waxin' the floor for?

12—Literary societies are holding their first meetings tonight. Listen to that tongue-wagging. They must have been saving up steam all summer.

14—Moonlight everywhere, and out on Nugent's Lake Alpha Psi members and their dates enjoy it, plus music.

15—More moonlight and firelight. Tonight is the Bachelors' weiner roast. As the victrola plays on and the fire grows low, romance thrives.

16—Big election in student chapel this morning. Harry is vice-president and Millie secretary-treasurer.

19—Big pep meeting tonight. We're betting on that team of ours.

20—Hurrah! First victory of the season! McKendree 19; Scott Field 0.

21—Millie, Eleanor, Mildred Beutelman, and Emma were in St. Louis, and decided to buy some little thing for Clio. Guess what it was? A great, big, beautiful rug! No wonder Clio Hall got a cleaning the other day.

23—Another victory for the Bears! Even though the Cape Girardeau Indians did have the "Indian Love Call" sung to them before the opening whistle, the Purple hopped all over them to the tune of 6-0.

24—Many McKendreans off to the Methodist Conference at Flora. All the P. K.'s going around gritting their teeth for fear they'll have to move or won't get to.

26—Clio is busy showing off the new rug at its first open session tonight.

And we really were served our lunch one day by this kind of mob!! Wally did consent to take off the pussy before he served the soup, though.

Is Dude ever high hat? But Dude, my dear boy, how dare you appear on McKendree's quad in a tux before six o'clock!

One hot afternoon last fall, the football men had to stop to mop between signals out on Hypes Field, and here they are! Don't Woody and Joe look chummy?

The morning after Hallowe'en many strange things were seen on McKendree's campus. Remember the table and chairs perched on top the kitchen? May just had to go up there to eat his lunch.

Evelyn, Wilma, and Mary off to watch a football game. We won the game, too.

Our yell leaders three. "Yea, purple, yea, white, fight 'em!"

"The Hortins" in their white sweaters are out for a tramp in the snow.

Joe always has to stop to play with the cats and dogs, and even the little calves. Boy, look at that dimple!! No wonder Millie likes him.

27—Get out all your gloves, co-eds. Doesn't matter if they don't match, you must wear gloves; for today is the Faculty Dames tea at the Stowells.

29—What do you think happened today? Remember the girl who lives in South St. Louis whose father is a doctor? Yes, you're right. Ruth "Queenie" Habig is the girl. She's come back from Missouri Valley convinced that McKendree's the garden spot of the earth. You're right at that, Ruth.

30—McKendree put everything she had into it, but still St. Louis U. won, 25-0.

OCTOBER

3—Plato and Philo holding big open sessions. Which one is going to serve the best refreshments?

4—All morning the men were busily washing windows. Tonight is Carnegie Hall's open house. Plenty of punch and candy.

6—The august seniors elected Joe their president. Fink is their vice-president, and Martha Kershner gets to take care of their "monies".

7—Beat Chillicothe, 21-2.

11—The Bachelors and A. M. O.'s thought that they were going to have a big dinner tonight. They had the dinner all right, but had to cut it short and attend the freshman party. Did the upper classmen break up the party? I'll say they did.

15—Washington U. won't forget McKendree in a long time. Prexy won't either, because today we defeated Washington 13-6. Joe and Todd were "going good", and you should have seen Prexy during the game.

16—Everyone went thankfully to church.

21—Guess Carbondale won't forget us so soon. McKendree 20; S. I. N. U. 7.

Scene: A palace garden.

The Princess Maie has been betrothed by her father to Prince Denis, whom she has never seen. There is to be a public wedding in the palace garden. But the princess refuses to appear as a bride until she has seen the prince. She disguises herself as a statue to watch for him. Because he has determined to marry for love, the prince disguises himself as a piper and comes into the garden searching for his true love. After being refused by many maidens who take men of greater wealth, he turns to his muses for solace, praying that he might turn marble to life with his music. The princess, tired of her pose, moves. The piper discovers that she loves him, and the princess learns his identity, and all ends as it should.

The Home-coming play, the first of the year, provided a thrill of expectancy for its audience, still murmuring over the afternoon's gridiron victory, as the curtain rose for the first act of "Applesauce."

It was a comedy of typical small-town folk in which love and business played a large part. "Applesauce" (the ability to tell others what fine people they really are) was made to surmount many obstacles. Ma Robinson was a "simple soul," while Pa was a veritable stormy petrel. Hazel, the beautiful young belle of the town, played havoc with the affections of the rich but dogmatic Rollo Jenkins, but favored the handsome and penniless Bill McAllister. The turbulent Uncle Nat and Mrs. Jennie Baldwin, town gossip and busybody, completed the picture.

14—Leap year date night, and here's your last chance to propose, girls! And were the co-eds ever lucky! No need to scrape together enough money to take "him" to the show. Just tell him to bring along his activity ticket and drag him to the game. McKendree wins from Blackburn, 52-28, in the first contest of the season. Just too much going on tonight. Santa Claus came to the women's dormitory and left the inhabitants rattles, dolls, tops, and candy on their Christmas tree.

Christmas in the air! "The Birds' Christmas Carol," sponsored by the "Y" Associations, added to the spirit of altruism pervading this glad season.

The attachment of Carol, the little invalid in the big house, for the destitute and turbulent Ruggleses "in the rear," supplied the theme for this juvenile story, which, to many of us, recalled grade school days. Preparations for, and the Christmas party itself, presented a choice bit of action not soon to be forgotten.

One of the best known of the author's sketches is concerned with the affairs of a small town of a quarter-century ago. The action is centered around the anticipated arrival of a small orphan boy, who was coming to make his home with a childless aunt. Small difficulties and grievances, such as buffalo bugs, the week's ironing, sore backs, carpet rags, and misplaced cordwood, were forgotten in the neighborly effort to help out in the emergency. Even when the child failed to materialize, all agreed that the friendly spirit created had done something for each of them, from the energetic Mis' Abel down to Grandma in her rocking chair. Even the love interest was not lacking, but was supplied by the shy young grocery clerk and the young daughter of Mis' Abel.

Something quite different. The audience was suddenly whisked to the heart of Russia, where "The Weatherlys" provided a delightful little comedy enacted between a charming young widow, who would be true to the memory of an undeserving husband, and an irate creditor, who would collect a just debt contracted by the deceased husband. A stormy clash of wills ended in mutual capitulation.

Dr. Dolley as Luka, the old manservant of Elena Popova, shared generously in the limelight and provided a goodly portion of the comedy. The timely arrival of Dr. Harmon and Mr. Wilton brought the matter to an uproarious close.

Directed by Miss Howe

Back to an everyday setting, that of an old ladies' home, and the difficulties experienced by its matron in an effort to provide congenial roommates for every inmate, especially for the self-pitying Miss Dyer. One after another, the roommates came and went, but when Mirandy Blair moved in, Greek met Greek. Nevertheless, a chalk mark, doing duty as a partition, worked wonders in providing the desired privacy, and the two old ladies were left twittering happily together at the prospect of a sleigh ride.

Seemingly endless weeks of practice, busy days of costume making, preparation of stage setting—all culminated in the presentation of the opera, an annual event of importance for the musically minded of the College and community, both participants and audience.

The world-weary Lady Harriet, in a spirit of extreme boredom, prevailed upon her friend, Nancy, to join with her in disguising themselves and following a group of villagers to a near-by fair. In the bidding for maids of all work which followed, these two, in a spirit of adventure, allowed themselves to be bid in by two well-to-do young farmers, only to find it a bargain from which there appeared to be no escape. With the help of Sir Tristran, they managed to run away during the night, only to find themselves held captive through affection rather than law. After much singing and acting, a happy culmination was brought about.

CHILDREN OF THE MOON

By Martin Flavin

Presented in the College Chapel, May 11, 1933

THE CAST

Judge Atherton	John Sanders
Madame Atherton	Dorothy Schmedake
Laura Atherton	Evelyn Haerting
Jane Atherton	Mary Sanders
Dr. Wetherell	Raymond Musgrove
Walter Higgs	Kenneth Wilson
Major Bannister	Wendell Hoover
Thomas	Paul Mauck

Directed by Miss Howe

The last play of the year was one of unusual interest in that its theme was somewhat unique—the supposed hereditary effect of the moon upon the members of a certain aristocratic family, the Athertons. Under the baleful rays of the full moon, this family had met death and disaster. A selfish mother, in an effort to hold her daughter, never let the latter forget for a moment the overhanging tragedy which might at any moment descend upon her. But love defied even heredity, only to meet defeat; for, with the "mad Athertons," there was no escape.

The stark tragedy of the situations was enlivened from time to time by the little Cockney, Higgs, together with Thomas and Dr. Wetherell. It proved the most serious dramatic effort of the year.

CO-CHAMPIONS, THE "LITTLE 19"—McK. BEARCATS

(Continued from Page 72)

McKendree's team went through the season undefeated in conference play and ran up against some of the toughest teams in the race, including Shurtleff and State Normal."—KENOALL OLDS, U. P.

"McKendree was the best team we played this year."—BOB BRUMMETT, *Captain*, State Normal.

The Bearcat football team went through its hardest schedule of history undefeated except by the great St. Louis U. Billikens. It is generally regarded as the greatest team of McKendree history. Undefeated in the conference, it justly claims co-championship rating with Wesleyan, also unbeaten and which played one more game. Wesleyan refused to play a post-season Thanksgiving game on her own field to decide the championship.

Dearest of the victories was the 13-6 defeat of Washington University at St. Louis, but the defeat of both Shurtleff and S. I. N. U., traditional foes, alone made the season successful.

A great line's play was overshadowed by the perfection of an all-star backfield. With good reserves for every forward position and two talented reserve backfields, the contests were mere questions of how much power the steam roller would turn on. Spudich, Todd, Kurrus, Miltenberger, Brock, Sooy—we will miss you! Moorman, Hrasky, Larsh, Wilson, Covington—we expect future greatness of you!

McK. 19, SCOTT FIELD 0; McK. 6, CAPE 0

(Continued from Page 73)

Bradham's dash stunned the Teachers and provided the margin of victory, but McKendree had to stop two Cape thrusts inside her twenty-yard line. McKendree had the ball on Cape's seven-yard line at the final whistle. Early season roughness was evident in the contest.

Dutchman,

We "close another door." My sincerest wish is that down the corridors of time, as the doors open and close, that I may find you progressing along the same way so that no door will cut me off from you. We've been good pals — we've had our differences and opinions, but they have made little difference. Let's keep on pulling together.

Fellow, I'm terribly disappointed that all my journalistic endeavors to help you gain a berth on one of those mythical all-star first teams went for naught. I did my best. We're both been disappointed in failing to reach goals we had set. Perhaps that was all for the best. Anyway, I think you were good enough for any team in the state.

Wishing you best of luck in everything, a woman that can truly appreciate you, a continuance of "the old days," I must say a temporary "good-bye." We've been good pals; that's about all anyone can ask for.
